DESCRIPTION

Please note that Bastide de Verez only hires out venues for events.

We do not have a catering outlet or wedding planner on site, but we can suggest service providers with whom we are used to working.

As far as receptions are concerned, we don't have any rooms, everything is done outside, so we recommend installing a nomad tent and a floor for any event with a seated dinner for more than 50 guests.

We work with a service provider who can offer up to 10% discount on : • tent and floor hire
