# *An intimate venue for an unforgettable wedding*

Nestled in the heart of the Provencal vineyards, La Bastide de Verez welcomes a limited number of confidential weddings each year.

Far from standardized venues, we welcome you in an atmosphere of calm, elegance and nature, where every detail is carefully considered.

Up to 60 guests can celebrate your union in a refined setting, with on-site accommodation for 32.

Privatization of the estate is mandatory to guarantee a tailor-made experience, supervised by our in-house wedding planner.

La Bastide de Verez will become the exclusive setting for your special occasion, combining authenticity, a gentle pace of life and top-quality service.

## *Accompaniment by our Wedding Planner*

If you don't have a wedding planner, Anaïs, our in-house wedding planner, will supervise each celebration to ensure that your wedding runs smoothly and with serenity.

**Depending on the package you choose, she will either accompany you throughout the preparations, or will be solely responsible for coordinating the big day.**

She puts at your disposal her network of carefully selected service providers (caterer, decorator, florist, photographer, hairdresser...), as well as a digital follow-up platform.

## INFORMATIONS

La Bastide de Verez is an estate entirely dedicated to hosting outdoor events in a natural, unspoilt setting.

We only offer venue hire, with no in-house catering service. We do, however, have the pleasure of working with a dedicated wedding planner who specializes in intimate, authentic weddings.

We don't have an indoor hall for receptions: this is a conscious choice, as we want to highlight the beauty of the outdoors - olive trees, vines, natural light - as the central setting for your celebration.

**Our rates include a nomad tent for 60 people, as well as the installation of a wooden floor to guarantee comfort and elegance**
